

## Radical SR1 Cup

MSA Championship Permit No: CH2018/R087

---

### Proposed added regulation

4.6.4 All SR1s regardless of age are permitted to be upgraded with the MY2017 Gen2 bodywork and aerodynamic specification. This must be fitted in its entirety. MY2017 Gen2 and previous specification body components cannot be mixed.

#### Reason:

To allow Generation 1 cars to be upgraded to identical specification as Generation 2 cars.
