

Existing regulation

1.6 RACE GROUPS:

1.6.1 There will be two (2) groups defined by original manufacturer stated specifications comprising of:

LMP3: As defined by the ACO Homologation papers which must accompany the vehicle at each event.

PT4: PT4 cars running to the current specifications together with modifications deemed appropriate by the organisers

Proposed amended regulation:

1.6 RACE GROUPS:

1.6.1 There will be Three (3) groups, two (2) of which are defined by original manufacturer stated specifications comprising of:

LMP3: As defined by the ACO Homologation papers which must accompany the vehicle at each event.

PT4: PT4 cars running to the current specifications together with modifications deemed appropriate by the organisers

*Invitation: Cars that are permitted to enter this group, solely at the decision of the championship promoters. Cars in this group will **NOT** score championship points.*

Reason:

To open up the pool of cars that are eligible to enter the championship.
