Visual scrutineering will be conducted on all competing vehicles just before noise testing at the entrance of the assembly area, and in the paddock road while waiting to avoid causing congestion. Scrutineers will have the power to perform random spot-checks on both cars and drivers' equipment throughout the event.

If you are unsure of your vehicle's ability to meet the required safety criteria set out in the Motorsport UK general regulations, then please find a Scrutineer and ask them to check this for you. Allow plenty of time before your first session on track

9. ELIGIBILITY

Eligibility may be checked by a member of the Motorsport UK Technical Commission listed in the 2022 Motorsport UK Yearbook at Appendix 5d. These Technical Commissioners will be considered as Judges of Fact within the Regulations. The Championship/Series licensed Eligibility Scrutineers are also considered Judges of Fact and empowered to undertake any measurements or examinations of vehicles.

10. DRIVERS RACING FOR THE FIRST TIME AT BRANDS HATCH

Competitors must read an instruction sheet that can be sent out upon request.

11. DRIVERS BRIEFINGS

Briefings will be in accordance with the MSVR and SRO instructions – please refer to the event timetable for times and locations.

right to call extra briefings as appropriate. Completion of the drivers briefing is mandatory.

GT World Challenge cars based in the garages will proceed from the Pit Lane in accordance with Championship Regulations.

ALL OTHER COMPETITORS will assemble in the Assembly Area. On instruction from officials, all cars will proceed directly to the grid and may be led by a Course Car. Once cars are in position on the grid, the countdown will begin.

For standing starts unless Championship/Series Regulations state otherwise the Red Lights will be switched on 5 seconds after the '5 second' board is shown and will be switched off after 2 to 6 seconds, which will indicate the start of the race.

If the delay from the showing of the Green Flag signalling the start of the formation lap to the start of the race is more than three minutes the organisers reserve the right to reduce the race distance.

In all cases, countdowns will be in accordance with series/championship regulations.

Start Procedures
