Championship Regulation 3.1.1.9

Following an inspection of the pit lane, the cars using garages 22, 23, 24, 25 & 26 are given permission to use more than FOUR personnel for the purposes of garaging their car ONLY.

This area of the pit lane has a larger gradient relative to the rest of the garages. For safety reasons, when the car is on skates, more than four people are required to control and manoeuvre the car.

During a pit stop the team may remove the car from the pit lane and into their garage for the purposes of retiring the car or working on the car in their garage.
