

PIRELLI KING OF THE MOUNTAIN – CADWELL PARK – 27.28.29 AUGUST 2022

Race Direction and MCRCB Safety Bulletin

MOUNTAIN TOP (T12 – T13) YELLOW FLAG ZONE

The BSB Race Director and MCRCB Safety Delegate have implemented an additional warning facility at Mountain Top between T12 and T13, consisting of FOUR YELLOW FLAG ONLY POSTS on riders' left, complimenting the existing full flag post 16 (showing double waved yellow flags) and the relatively recently installed yellow light panel at T12.

In the event of an incident in this sector, these combined alerts will be deployed, in the same was as for example the pit wall/grid marshals react in the event of a machine stalling on the starting grid.

The standard yellow flag definitions apply, eg: E1.4.3 waved and double waved yellow flags.
