BSB SPAIN TESTING

06/12/22

To Whom It May Concern:

With regard to the forthcoming testing in Spain, I write to inform you that in order for us to take tyres over to Spain in our trucks we must use / abide by Carnet regulations and after lengthy discussions with HMRC we have been informed that unless we / our customers agree to pay the duty on the tyres supplied the following rules will apply:

- 1, All tyres supplied trackside are on a lease basis and shall remain the property of Protyre Motorsport
- 2, All tyres supplied trackside must be returned to the Pirelli truck prior it's departure back to the UK as this is a legal requirement to conform with Carnet regulations.
- 3, Teams must return any tyres that are not supplied trackside back to the UK themselves.

Due to the above restrictions, we would ask teams to:

Teams to carry some stock (fitting at Protyre in Stoke if required)

Give a pre order indication of any tyres they could / will require to be supplied trackside

I would like to thank you for your understanding on the above matters.

Kind Regards

Shaun Chetwyn
