

Fuel Bulletin No 1 – European Testing

Euro M-Sport will be supplying fuel to the European Test in Navarra taking place between 11-13 March. Please use the Fuel Order form as usual to order your fuel however there are some stipulations in place, as detailed below:

- All orders must be placed before Monday 27th February.
- No extra fuel will be available at the circuit as Euro M-Sport truck will not be in attendance. Fuel will be delivered directly to the circuit.
- All orders will have to be paid via BACS, a card payment link emailed to you or over telephone by calling our office between 9am – 5pm weekly.
- A shipping and handling fee will be applied to your Invoice when the total amount of fuel to be shipped for all teams is calculated. This is for European testing only.
