

MCRCB Technical and Sporting Bulletin (20/02)**9th June 2020**

- Testing Regulations

The BSB class has prescriptive testing regulations, in particular that 12 days of “in season” testing in the UK started on 16th March. This was suspended in 17th March following the national response to the COVID-19 pandemic.

From Monday 15th June this suspension will cease however the number of days in of “in season” testing will be reduced to 5 days of which 1 day will be the official BSB test at Donington Park (National) on 28th July.

In addition to the authorised circuits which are all members of the Association of Motor Racing Circuit Owners (AMRCO), Bishops court circuit in Northern Ireland is also included.

Notification of intention to test in the immediate term should be sent to stuart.higgs@msv.com

For all other classes the standing testing rules apply.

Ends.
