## CLUBMANS SPORTS PROTOTYPE CHAMPIONSHIP ENTRY PROCESS 2021

There is a simplified one-page entry document this year.

This should be sent to [cspentries@gmail.com](mailto:cspentries@gmail.com) (filled in using Word please) and put a cross in the box next to the meeting(s) you are entering. The appropriate entry fee should be paid direct into the CR account at the same time. The Competition Secretary will acknowledge your entry and the Treasurer will acknowledge payment.

Entries will be accepted in the order they arrive in the inbox (if the payment arrives within a few hours, otherwise the entry will be held in abeyance) up to the maximum number permitted to race at the circuit. After that up to four reserves will be accepted in order (First reserve, second reserve, etc). After that entries will be held in abeyance unless any Entrant withdraws. An Entrant who withdraws before the closing date for entries will be entitled to a full refund or carry forward. An accepted Entrant who withdraws prior to qualifying at an Event where there are reserves shall be entitled to a full refund. All other refunds are in the discretion of the Clubmans Register with an obligation to act fairly including the refund principles below.

All accepted Entrants and reserves will qualify at the meeting. Reserves will race in order (irrespective of class) if any accepted Entrant is unable to race. If reserves are given grid places prior to issue of the first grid sheets for race one the times set in qualifying shall determine their grid positions. Otherwise, and for races two and three, new reserves will start at the back of the grid. A reserve who races and can start the following race will take the appropriate grid position earned in the preceding race.

If an accepted Entrant who misses a race can prepare their car for any subsequent race at the same Event that entry will take priority over a reserve who may have raced earlier.

In accordance with Q12.4.2 qualified reserves will take precedence over competitors practicing entirely out of session or whose qualifying times have been disallowed for any reason.

Any reserve who qualifies but does not race will have the entry fee refunded in full. A reserve who races once will have 50% of the entry fee refunded. A reserve who races twice or more will have no refund.

You may enter races at any time once entries have opened. You may enter the whole season at the start if you wish. This should guarantee you will be accepted.
